

Is My Child Socially Proactive?

REVIEW CHECKLIST

For helping my child to become socially pro-active

- Do I create opportunities for my child to reach out to me?
- Do I always draw positive attention to my child's first move when he tries to connect with me?
- Do I teach my child how to think socially and encourage perspective taking?
- Do I help my child play detective to understand how social minds work?
- Do I teach my child that every social encounter is a communication?
